Daksh Mehta

CSR · ESG · PROJECT MANAGER

3+ years of corporate experience specializing in CSR, ESG, and EU policy. Proven expertise in navigating CSR project management, internal and external communications, ESG reporting, and sustainability certifications and policies. Passionate about empowering organizations to advance their sustainability objectives through measurable impact.

EXPERIENCE

Sustainability and Social Impact Apprentice

Sep 2025 – Present

DATAIKU · Paris, France

- Contributed to the delivery of the 2026 CSR Report, helping consolidate GHG data and coordinate content, design and reviews with Marketing, Legal and other stakeholders.
- Led the EcoVadis submission work, with substantial support and input from colleagues across the company.
- Developing an in-house GHG emissions calculator with colleagues, following the GHG Protocol (Scopes 1, 2 and 3).

CSR Consultant Intern

Feb – Aug 2025

THALES · Géménos, France

- Mapped and automated the CSR process within the Purchasing department, enhancing stakeholder experience and enabling more effective KPI tracking and reporting.
- 15+ sustainable procurement KPIs reported and presented weekly to drive informed decision-making and performance tracking.
- 50+ colleagues trained on Microsoft Power Automate, helping departments start their first automation projects and improve day-to-day workflows.

CSR Customer Desk Intern

Apr – Oct 2024

CEVA LOGISTICS · Marseille, France

- Led the project to improve the 2024 CDP rating.
- Achieved a 97th percentile EcoVadis rating in 2024, representing a 12-point year-over-year improvement.
- Managed over 20 client RFIs, tenders, and CO2 reports, focusing on CSR initiatives for major brands such as CMA CGM and Ferrari.

Process Manager Intern

Jul – Dec 2022

BACK MARKET · Bordeaux, France

- Extracted and analyzed data from 17 KPIs, delivering concise insights in weekly meetings (using Excel & SQL).
- Conducted a thorough review of the performance of over 500 Customer Care agents, identifying pain points for strategic improvement.
- Tracked a monthly operating budget of approximately €1 million and supported cost reviews and forecast monitoring.

EDUCATION

2025 – PRESENT

MSc International Business Management – Project Management
INSEEC · Paris, France

2018 – 2021

BBA (Bachelor in Business Administration)
JIMS, Vasant Kunj · New Delhi, India

2021 – 2025

PGE Master in Management: Sustainability

KEDGE Business School · Bordeaux, France

DISTINCTION Won first place in the school's green startup competition

COURSEWORK Life Cycle Assessment, CSRD, ESG analysis, EU Taxonomy and more.

LEADERSHIP & VOLUNTEERING

- Organized a charitable chess tournament & raised 10000+ ₹ funds for Animal and Bird Welfare Society (NGO).
- Volunteered with Rotaract, New Delhi (NGO), demonstrating leadership in community service.
- Led a 10-member hospitality team for the OnePlus Tech Launch Event (2019).
