Introduction

- Put a company's plan into action
- phase in the strategic management process
- converting the ideas and strategies into tangible actions and outcomes
- crucial for an organization success

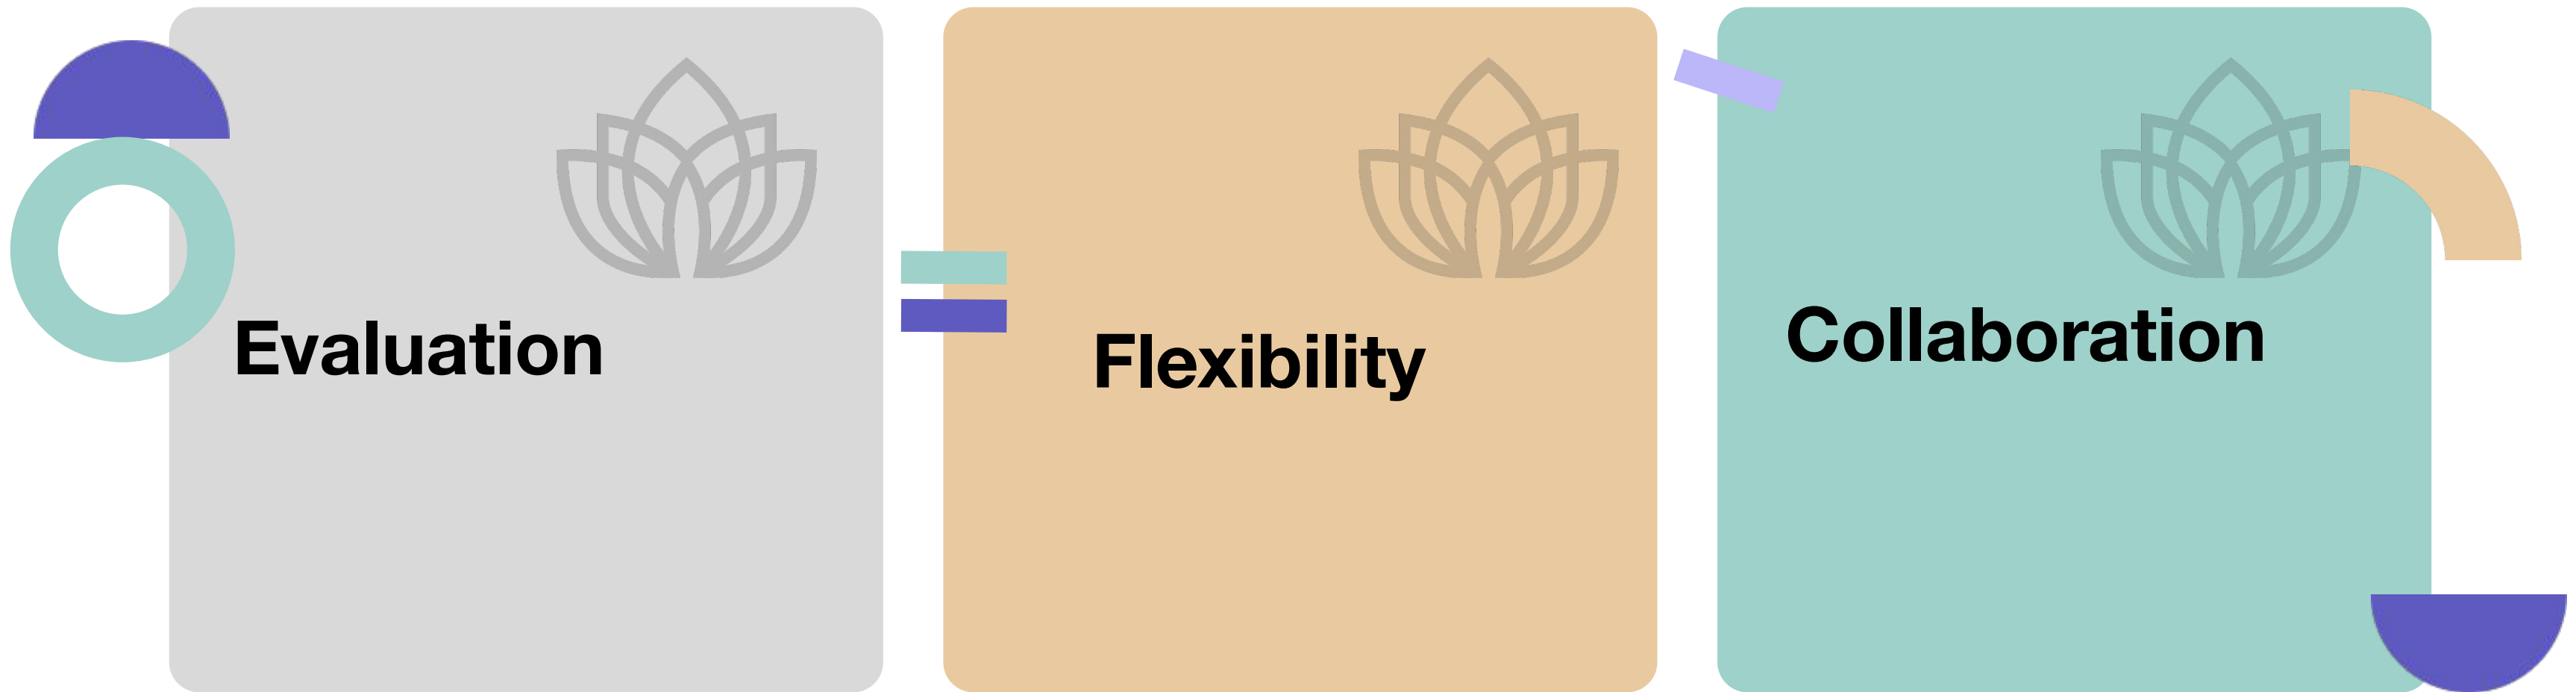

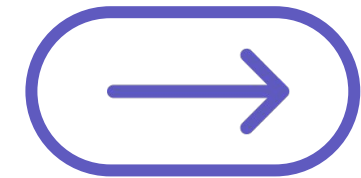

Factors for effective implementation

6 cases.

Factors for effective implementation

6 cases.

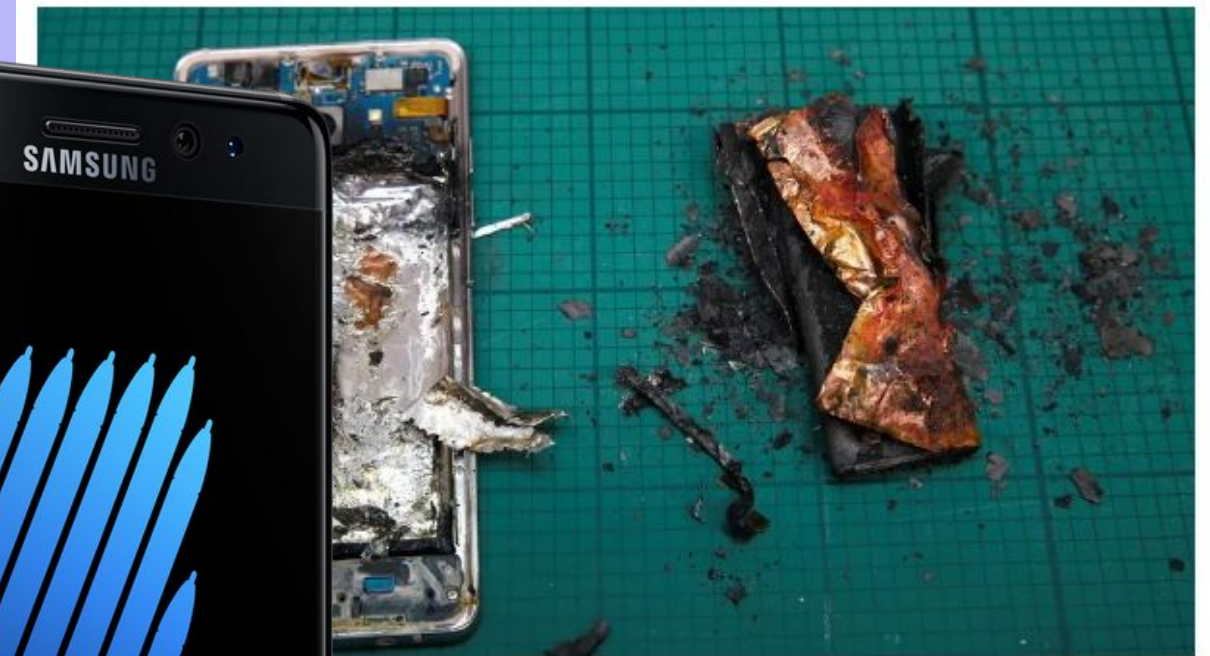

Samsung Case :

- Lack of testing
- They did not learn from their mistakes
- Poor communication

Samsung permanently stops Galaxy Note 7 production

11 October 2016

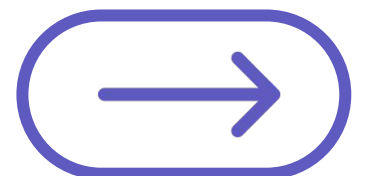

caught fire during a lab test in Singapore

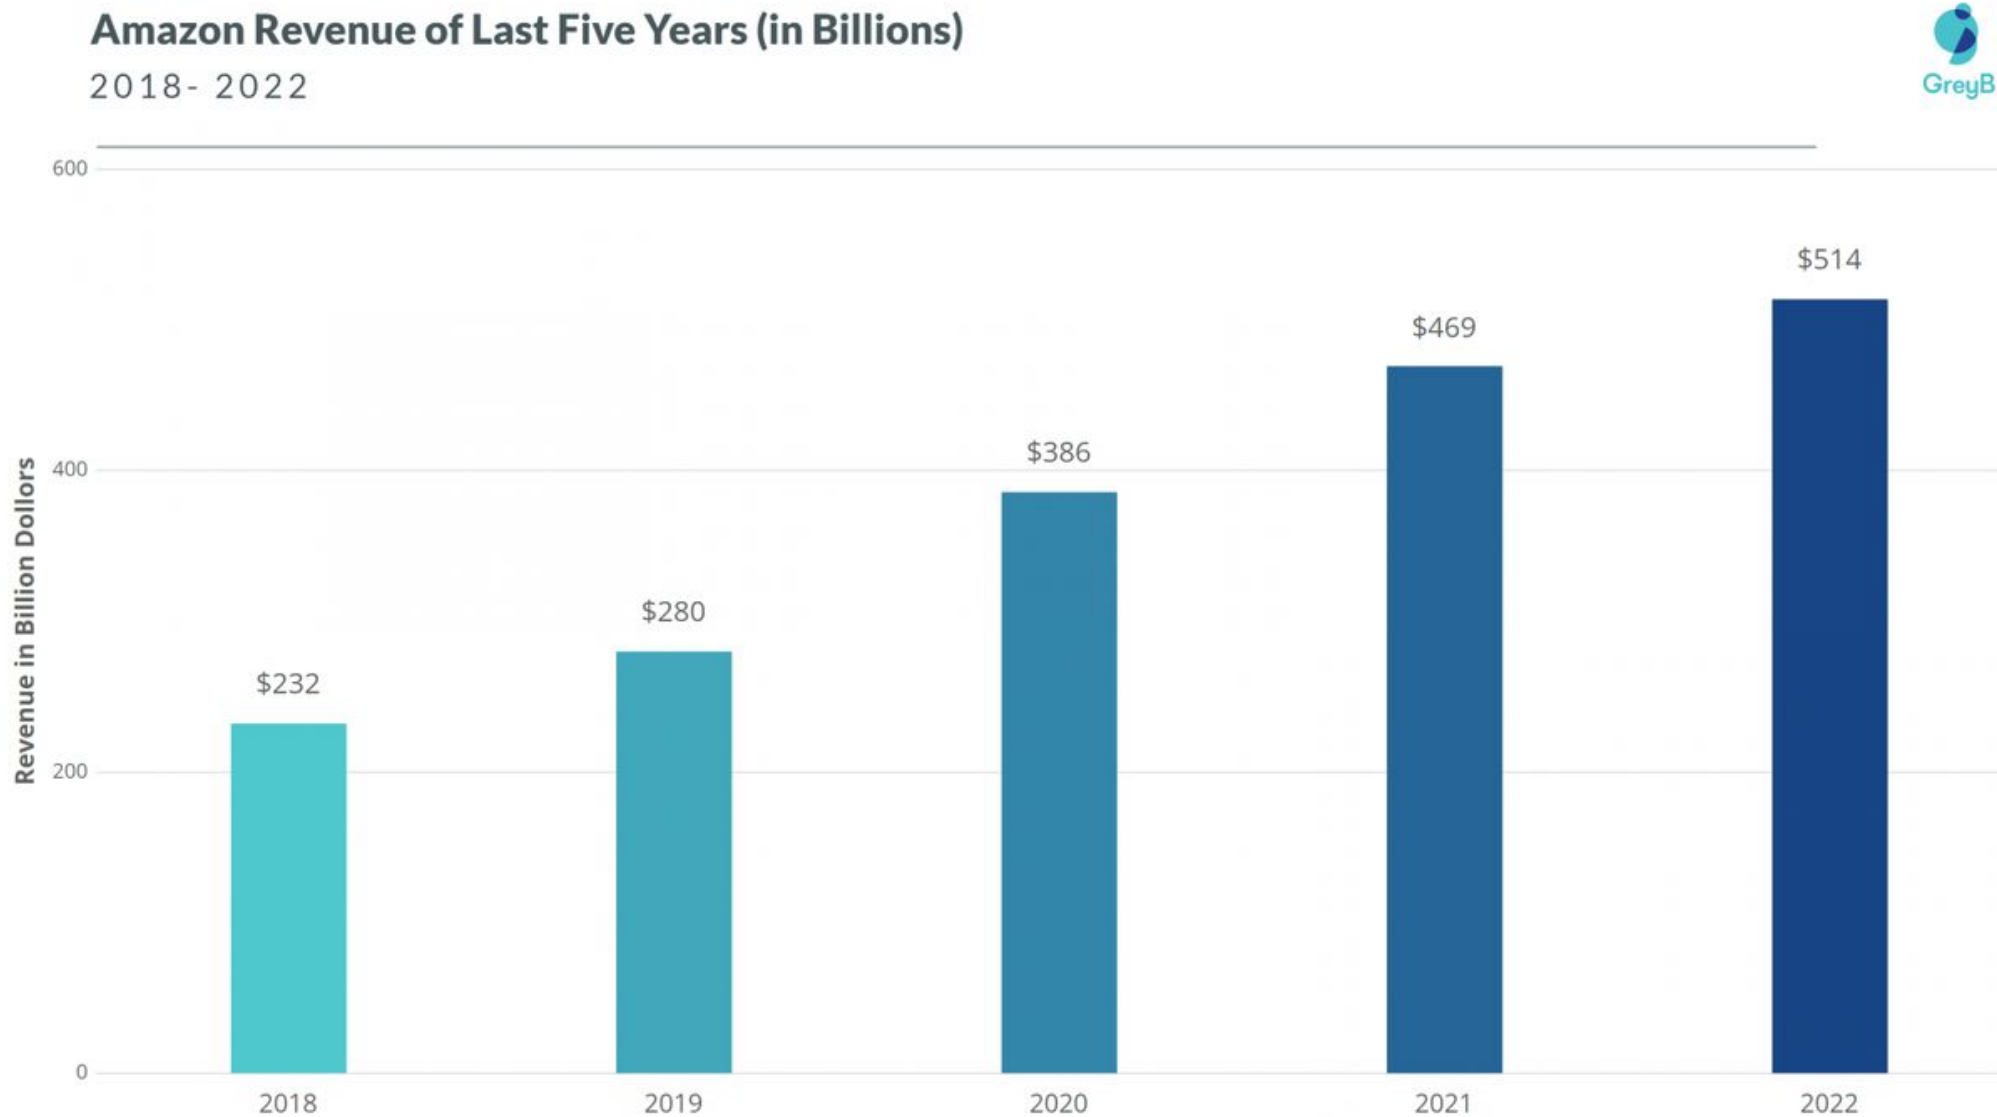

Samsung has permanently ceased production of its smartphones after reports of devices it had deemed

defective Galaxy Note 7 production volumes.

able to return the phones for a refund or an

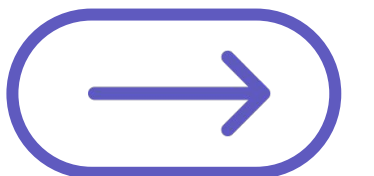

Amazon Case :

Amazon has been recognized as one of the most successful companies to exist. Amazon ranked 8th on Fortune 500 2018 list, 5th in 2019, and 2nd in the 2021 and 2022 lists.

Main factors of its effective implementation

- **Investment in technology innovation**
- **Communication and collaboration**
- **Data based evaluation**

Technology and Patent Filings

Alexa Everywhere strategy

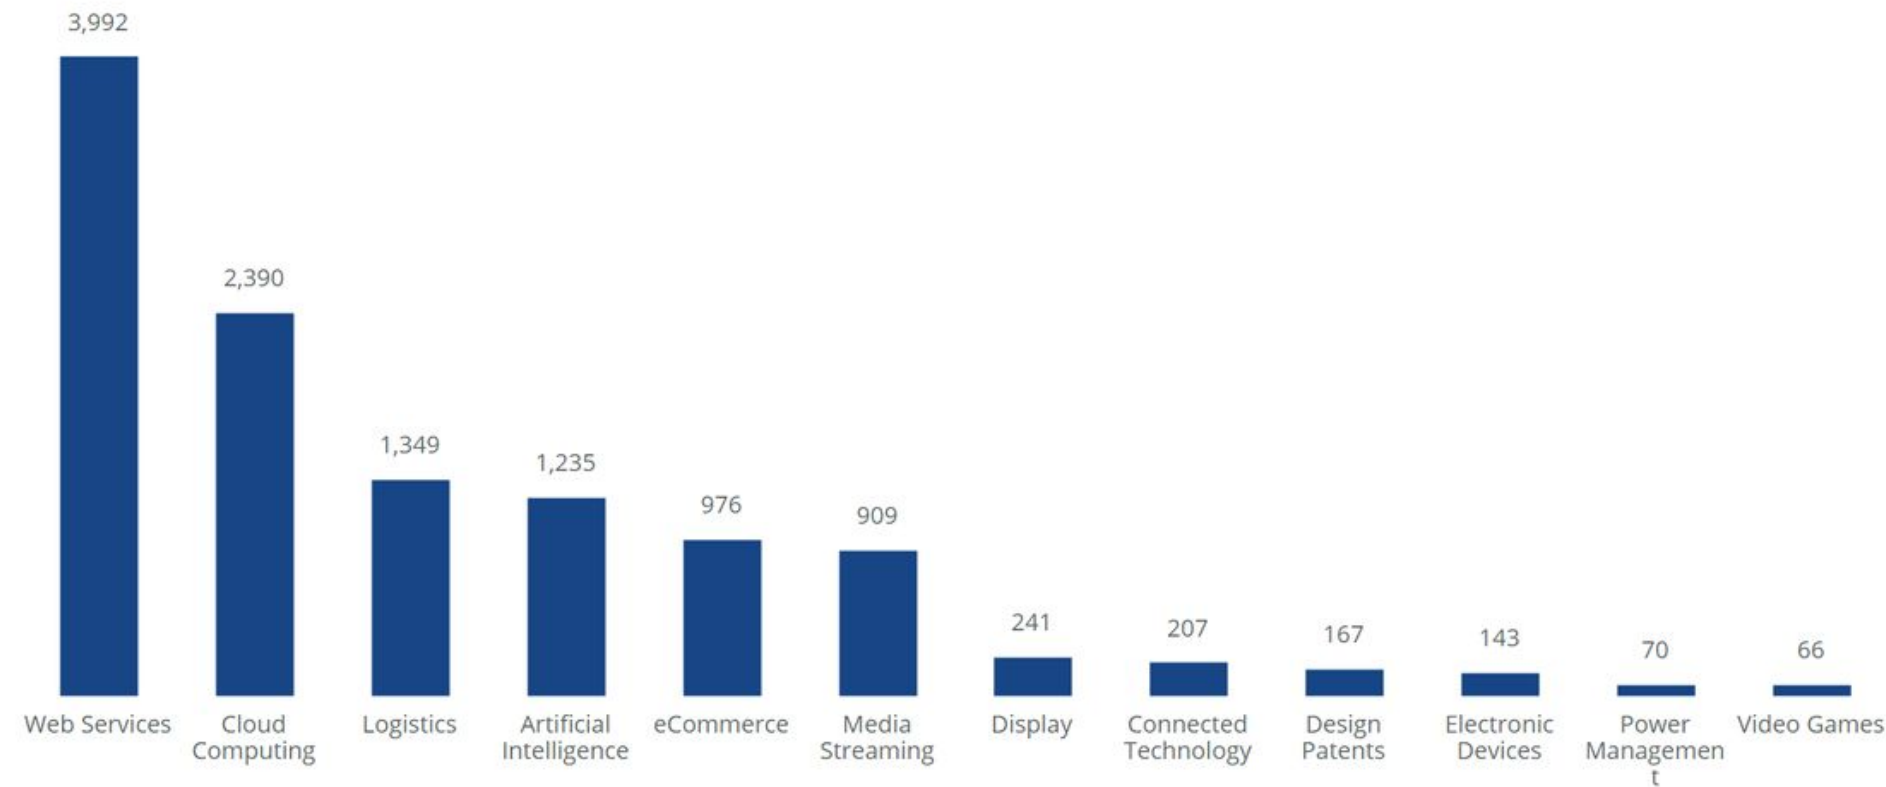

Install Alexa in every Echo device and launched number of new products. Currently, Amazon Echo and Echo Dot hold a 2/3 market share of smart speakers

Amazon Web Services (AWS)

Amazon has recently acquired companies in the cloud computing space and invested in businesses based on the cloud.

Data centers in Britain and France.

In 2020, Amazon's cloud segment, AWS, accounted for 58.9% of the company's overall operating income.

Amazon's Diversified Patent Portfolio

Collaboration

Amazon x Microsoft

Amazon x
Ford

Amazon x
Accenture

Value Chain Optimizing

Amazon Maritime Inc.

Under its Beijing Century Joyo Courier Services, the company is also building its trucking airfreight or freight forwarding capacities.

Substinarines and third party merchandisers

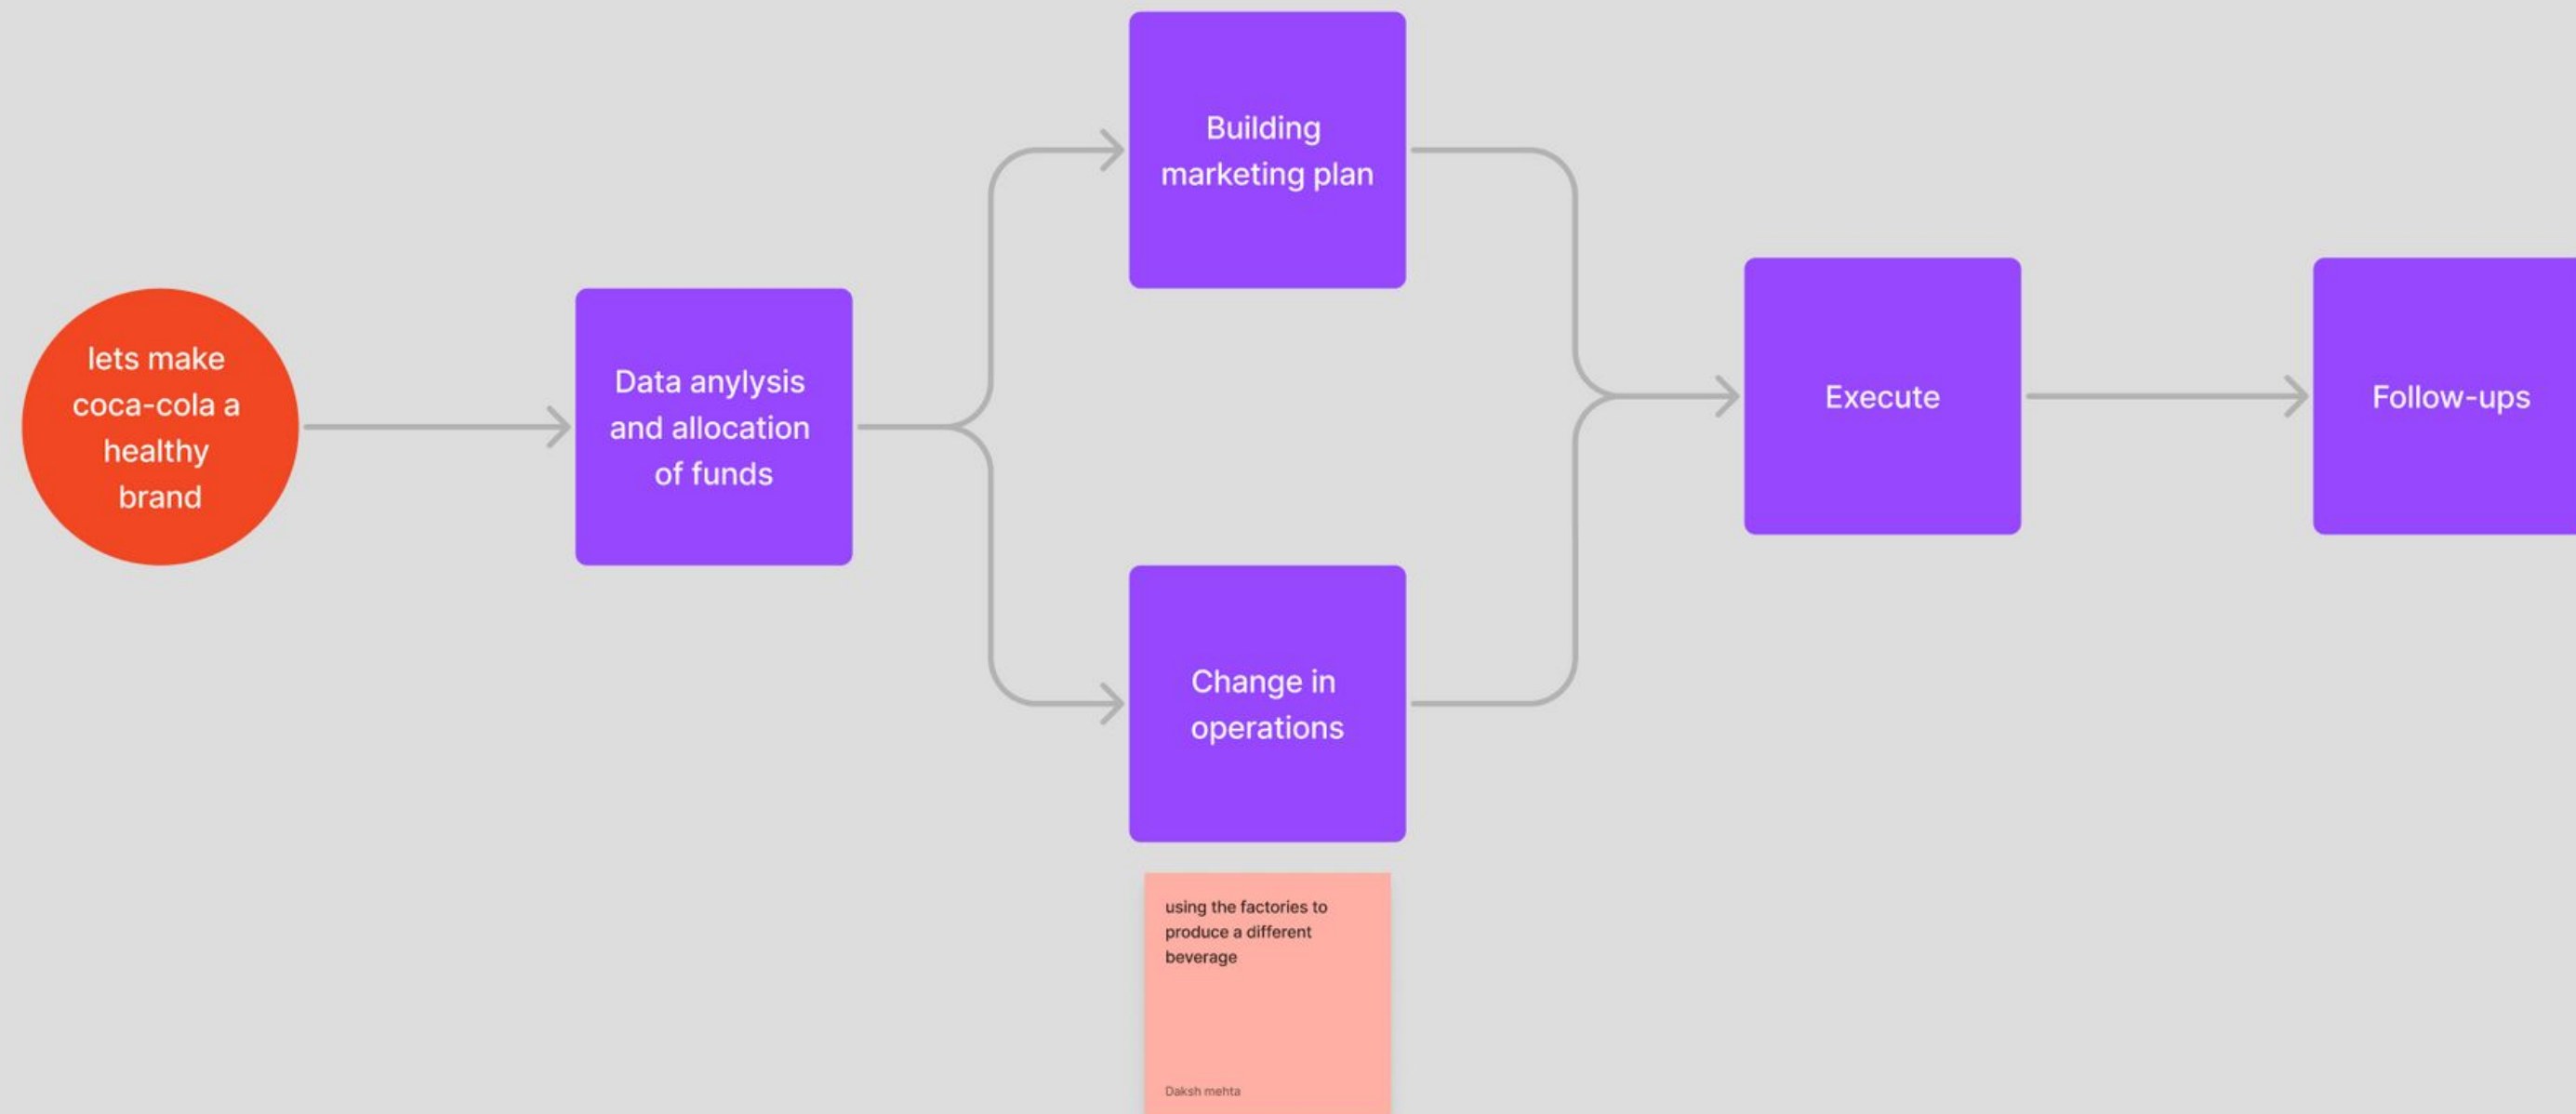

Under its Amazon Lab126 subsidiary, it manufactures several merchandises or products to include the Kindle line of electronic book readers and the Fire line of tablet computers and digital media players.

Class Activity

- You are an employee of Coca-cola.
- New strategy: Make Coca-cola a sugar-free/healthy beverage brand.
- Draft an implementation plan for the company.

Example

Conclusion

What to remember?

**WHEN do we use strategy
implementation?**

**What is a SUCCESSFUL strategy
implementation?**

**The 6 factors for a succesful
strategy implementation**

**The two cases presented (SAMSUNG
and AMAZON) that demonstrates
poor and good strategy
implementation**
